Investment Fraud: The NEXT “Perfect Storm”

(and How To Survive It)

Thursday, December 8
5:30 - 6:30 PM

Recent surveys show that investors between fifty-five and sixty-five are top targets for con artists in securities scams. Why? They’re anxious to increase their assets before retirement, and fall for unethical sales tactics promoting risky investments! Investors have been cheated out of their life savings, windfall insurance payments, and even the equity in their own homes through investment fraud schemes.

Is there any investor today who isn’t anxious to maximize their profits? Now, the good news: You can help protect yourself from becoming a victim by following three Self-Defense tips. These tips were taken from cutting-edge research on investment fraud victims, interviews with the con artists themselves and from actual fraud cases prosecuted in Louisiana.

Don’t miss this lively, interactive seminar and learn about FREE services available to help protect your “nest egg” from scams!
